ANM. Fr. o. m. den 23/09-1969 t. o. m. den 22/09-1970 reducerades den ordinarie listan till 15 placeringar då en separat lista för LP-skivor - LP-Toppen - på 5 placeringar infördes. De skivor som redovisades på LP-toppen återfanns i regel på den ordinarie listan men då ett fåtal undantag förekom är det därav motiverat att i detta uppslagsverk även redovisa denna separata LP-lista.
